Grow your career with our pharmacy team!

Our Commitment

Always Customer First philosophy

Our mission statement is Always Customer First, and that guides everything we do. We want our customers to have a positive experience each time they choose us as their pharmacy service provider. Understanding changing customer needs and expectations while providing fast, friendly and knowledgeable service is how we ensure we always put our customers first.

What makes our team great?

Our company culture of care, commitment and passion means that our team members work in friendly, diverse, professional and supportive environments. We are committed to helping our customers and communities embrace healthier lifestyles, and passionate about delivery quality, patient-centred care. Our pharmacy team members thrive in a demanding role and are committed to providing excellent patient care with integrity.

Best practices

Maintaining high standards of excellent patient care means we're always improving on our best practices, enhancing our

professional development opportunities, and implementing operational efficiencies in our practice areas. To support the changing role of the pharmacy profession, we offer:

- State-of-the-art workflow design
- Technology enabled pharmacies
- Learning management systems and other web-based educational programs
- Medication management programs and clinical resources
- Pharmacy automation
- Central fill dispensing and processing

Our Community

A truly Canadian company, Save-On-Foods has been innovating and putting customers first for more than 100 years. We're passionate about what we do and we're leading the way with a strong network of the best, most innovative stores in Western Canada.

In 1968, Canadian businessman Jim Pattison purchased the company, and since then, Save-On-Foods has grown to become Western Canada's largest grocery store chain with stores in B.C., Alberta, Saskatchewan, Manitoba and the Yukon.

Start your pharmacy career and grow with us!

We're all about local

Our approach to customizing each of our 160+ stores to suit the needs of the community is just one of the ways we're a good neighbour. We're proud to support more than 2,000 local growers, producers and suppliers by carrying thousands of locally-made products in our stores.

Each year, Save-On-Foods provides millions of dollars in donations and goods to food banks in every community we serve through local initiatives and Share It Forward, an annual campaign that raises money for local food banks. Our commitment to the health and wellbeing of our communities extends beyond groceries. Our team members, supplier partners and customers have donated more than \$30 million to BC Children's Hospital, and proudly support all five children's hospitals in Western Canada.

Our Company Benefits

Enjoy flexibility, stability and great compensation packages at Save-On-Foods, including:

- Competitive salaries
- Extended health care coverage
- Flexible medical, dental and vision plan
- Company funded pension plan
- 100% paid license fees
- Pharmacy incentive program
- Student loan program
- Continuing education reimbursement
- Access to exclusive team member offers and discounts

Professional development

We encourage our pharmacists to advance their clinical competencies, participate in certificate programs, and expand their scope of practice. Our pharmacists have opportunities to be involved in health screenings, pharmacogenomics, point-of-care testing, vaccinations and travel health, and other medication management services.

The company also supports career development including leadership and much more:

- Leadership and management development
- Coaching and mentoring
- Collaboration and communication
- Cultural diversity
- Industry best practices
- Clinical development
